100 PER CENT FUND GIFTS START TODAY

Business and Industrial Con-
cerns Are First To Report
Subscriptions

ONE DAYS PAY DONATED

Women's Division Gets In-
structions for Drive, Men
Get Kits Tonight

The first Marion business and indus-
trial concerns to report 100 per cent
subscriptions to the Community Fund,
from their employees were announced
at Community Fund headquarters late
today.

The Prindget Co. was first to
report. Others in the order of their
appearance were as follows: The Leu-
non Furniture Co., the Haberman
Chevrolet Co. and the Daily Dairy
Co.

To earn 100 per cent honors em-
ployees must give the equivalent of one
day's wages and the company must
have cooperated with the employees
in collection of subscriptions.

Such reports as in the employee drive
were being taken as far as
the morning.

A meeting of workers of the com-
munity fund division which will con-
sider the residential division of Marion
when the second annual Community
fund drive begins Monday morning
fairly brimmed with enthusiasm when
Mrs. Samuel G. Rosenberg, colonel
of the army of women workers, fired
a spark of energy in the meeting that
promises a thorough job when the
drive begins next week.

Tonight 170 men in the territorial
division in charge of Colonel Charles
H. Levis will receive their kits and
instructions. They will solicit sub-
scriptions in the downtown business
area beginning Monday.

The drive will end Thursday night
after report luncheon on the preceding
day.

Plan To Remove Militia
at Prison Within Week

COLUMBUS, May 15.—Members
of Company H of the National Guard
unit from Chillicothe were being
withdrawn from the Ohio State peni-
tentiary here today.

International News Service author-
itatively learned that it is planned to
remove all militiamen from the prison
within the next week. There are only
about 200 of them on duty there now.

The guardsmen under command of
Col. Robert H. Hancher were placed
in charge of the penitentiary following
the fire on the evening of April 21.

PARTIAL VICTORY
WON BY BISHOP

Cannon Exonerated on Politi-
cal Count, Speculation
Charge Remains

By The Associated Press
DALLAS, Tex., May 15.—Exon-
eration of charges of undue political
activity in the 1928 campaign, Bishop
James Cannon Jr. of Washington,
D. C., today said faced complaints
suggested by more than a score of dele-
gates to the general conference
of the Episcopal church, South
that he speculated on the stock market.

Nearly six hours of deliberation by
the Episcopal committee yesterday
failed to clear Bishop Cannon of the
speculation allegations. For three
hours in the afternoon and 40 min-
utes at night Cannon was on the
victims stand. Much of the time he
was known to have spent reading
papers, presumably in reply to the
photostatic documents presented by
J. G. T. Fitzhugh of Memphis.

Reporting to an record of his stock
market transactions.

After Bishop Cannon left the com-
mittee room the committee spent nearly
two more hours discussing his en-
tire sole known accomplishment of
the session was a two paragraph
statement which placed the com-
mittee on record as supporting the
political activities of the bishop.

The committee will now meet
again on Friday.

Of those five only four—Cannon,
Loring Moore, John M. Moore and
H. M. Dubois—were known to have
been named by the Rev. Robert G.
Smith of Washington, G. A. manager
of the charges. Since the proceed-
ings of the committee are kept in
much privacy it was not possible to
ascertain the names of the fifth.

Bishop Cannon, although popular
as a speaker, has a study of non-com-
mitment as a result of his statement
that the "proper time" would be when he
was "officially called upon for a statement."

200 KILLED BY "REDS"
By The Associated Press
HANKOW, China, May 15.—Two
hundred persons today were reported
killed and \$400,000 worth of property
looted by "reds" attacking Hankow,
a town of the Han river 40 miles
from Haikow. The reds burned the
town. The garrison fought heavily
but was overwhelmed.

FREE CLINIC AT HOSPITAL IS MENDER OF FRAIL BODIES OF UNFORTUNATES

An impromptu glimpse in the clinic rooms at City hospital shows nurses making an investigation of a hand injury. Other persons to be given aid by the clinic through the Marion Community Fund are awaiting their turn. The clinic served more than 900 persons with an average expenditure of less than \$1 each last year.

PROLIFERATION of such services
has been made possible for
925 unemployed persons last
year almost wholly at the ex-
pense of the hospital clinic upon
sponsored by three agencies of the
Marion Community Fund. These
agencies are the Federated
Women's clubs, the Parent-
Teachers association and the King's
Daughters.

With medical men of the city
donating their time and services
and much of the other work being
done gratis the clinic operated
on the remarkably low budget of
\$900. Probably no phase of
Community Fund activity has
made bigger returns for its bud-
get than has this clinic which

gave valuable assistance to more
than 900 persons with an aver-
age expenditure of less than \$1
each.

GLENNA NEAR GOLF THRONE

American Girl To Meet Rival
Tomorrow in Contest for
British Title

By The Associated Press
FORMBY, May 15.—Glenna Colell
American champion, won her bid
for the finals of the British women's golf
championship today by defeating Ems
Wilson one up.

Miss Colell will oppose Miss Dinna
Fisher in a 36-hole final match for
the championship tomorrow.

Miss Fisher, who this afternoon de-
feated Miss Kathleen Macdonald
Scotland with comparative ease five
up and four to play. Miss Fisher's
game was excellent throughout while
Miss Macdonald was weak at ap-
proaching and putting.

The English girl however was not
regarded as the equal of the steady
Glenna.

YANKEE WALKER CLIP
TEAM STARTS STRONG

SANDWICH, England, May 15.—
The American Walker clip team to-
day stepped out in front of its British
rival to win three of the four four-
comes the first place of the later
national golf competition. The blue
ribbon golf event for international
amateurs closes tomorrow with eight
single matches.

MEN TO AID BOYS
IN PICKING WORK

Vocational Guidance Will Be
Offered by Kiwanis, Ro-
tary and Hi Y Clubs

Through the cooperation of the Ro-
tary, Kiwanis and Hi Y clubs a voca-
tional guidance campaign will be
launched Friday evening with a sup-
per at the First Reformed church on
South Prospect st. a 6:15 o'clock
Business men of the city will meet
there with a group of boys who have
expressed a desire to have counsel on
the choice of their vocations. At
the conclusion of the supper each boy
will be given the opportunity of dis-
cussing privately with some business
man who has had experience in the
line in which the boy is interested,
the advantages and disadvantages of
the work.

The business men will be asked not
to try and "sell" a particular voca-
tion to a boy, but to give him advice
which may help him to make the cor-
rect decision in the choice of a career.

The boys will be given the opportu-
nity in the near future to follow up
this first interview with other men
who may be able to help further in the
way of information concerning a par-
ticular line of work.

Forty-Five Acres of Corn Are
Planted While B. C. Randall
Lies Ill in Bed

WHILE Benjamin C. Randall
of Big Island township lay
in bed convalescing from an at-
tack of pneumonia 15 of his
friends gathered at his farm
one-half mile north of Big
Island yesterday and planted
45 acres in corn for him.

Up with the sun, the men
brought seven tractors, 37 horses
and five corn planting machines
and when the sun had set last
night the job was done—the 45
acres had been plowed, disked
and planted so energetically did
the corps of men work.

THE work was done without
compensation to help out a
friend who otherwise would
have seen his fields barren of crops
this year. Randall although
convalescing will not be able
physically for several weeks to
work in his fields and the men
sensing his predicament, threw
their energy into the task of
planting his crops for him.

Randall has no hired hands to
aid him and his three children
are young and unable to assist
in the farm work.

THE tract is bounded here and
there over the large fields
like an army. Full wing
the tractor came the harrows
and disks and when they had
passed over the ground a horse
drawn plow was used to break
the hills for the corn planters.

Men who spent a day of their
own but, while were Bert
Richardson, Kenneth Richardson,
Howard Wood, Clifford Hick-
man, Forrest Lowmeyer, P. R.
nari, Conn. Kenneth Owen,
Harley Kene, Pearl Wilson,
Dewey Plummer, Orellie Sherk,
Jesse Green and Albert Mes-
singer.

POLICE STOP INDIA'S "JOAN"

Surround Mrs. Naidu and Fol-
lowers as They Start Salt
Depot Raid

By The Associated Press
DHARASANA, India, May 15.—
Police this afternoon stopped in the
bud Mrs. Surajlal Naidu's projected
act of disobedience leadership by sur-
rounding her and a large party of
volunteers as they started to raid the
salt depot here.

The police action indicated the gov-
ernment's determination to preclude
firm methods against the salt rule.
Mrs. Naidu had swam her fol-
lowers early in the morning volun-
teers flocking to the scene just out-
side the town.

Several hundred police had been
concentrated for the purpose of pre-
venting the salt raid. The depot at
Dharasana is privately owned but
government operated according to the
authorities. The government insured
its safety some time ago by reinforcing
its guard.

Previous to this the first woman
leader to be arrested for a salt raid
at Dharasana, Mrs. Lokeswami
had been sentenced to one year's im-
prisonment.

An emergency order was in effect
today prohibiting assembly in the salt
depot town of more than four per-
sons indicating that arrest of Mrs.
Naidu and her volunteers was in
sight.

There were renewed disturbing re-
ports today from the northwest from
where communists were said to be
subsidizing the all India national con-
gress agitation and to be instigating
revolt among the tribesmen, some of
whom are reported wearing the lion
and sickle badge of the soviets.

SUCCESS MARKS 1st GOOD-WILL MEETING

Bird-McGinniss Post, American Legion, Is Host to

known speaker and state commander
of the Legion.

Randall Leverger amplified the
Legion motto, "For God and Coun-
try," into the objective of "religion
without sectarianism, patriotism
without partisanship."

"It is almost imperative that the
scope of the Legion should serve
much attention to religion," the for-
mer national chaplain declared.

"The Legion embraces many creeds,
and has brought these different faiths
together in a spirit of comradeship
growing out of the World war which
ministers of all religions worked
together in the service of the
soldiers and to try the faith at war."

75 SURVEYORS EXPECTED HERE AT ROAD MEET

W. A. Alsford of Ohio Good
Roads Federation Slated
To Address Officials

HAVE LUNCHEON AT NOON

H. P. Chapman of Auglaize
County Also Scheduled To
Speak at Meeting

Approximately 75 county surveyors
and their deputies from 31 counties
are expected to attend a joint meet-
ing of the Northwestern Ohio County
Surveyors association and officials of
the Ohio Good Roads Federation this
afternoon in the county court house
room in the court house here.

More than 40 arrived here at noon
for a luncheon at the Hotel Marion
which preceded the general session
and the others were expected to arrive
early in the afternoon.

W. A. Alsford, executive secretary
of the Ohio Good Roads Federation
was the principal speaker. Other
speakers included H. P. Chapman
chairman of the state highway
department, Eugene L. Condit, Aug-
laize county surveyor and president
of the district association, H. G.
Sims, Hamilton county surveyor and
H. M. Shurtz, a stone company re-
presentative.

Problems in which the good roads
officials and highway representa-
tives and county surveyors are all
mutually interested were to be dis-
cussed.

A new automatic traffic control
device was to be exhibited before the
road officials this afternoon by re-
presentatives of the company which
manufactures the device.

Counties in the district association
are Marion, Union, Delaware, Mor-
ris, Martin, Crawford, Wyandot,
Richland, Williams, Deane, Paulding,
Van Wert, Mercer, Darke, Lul-
ton, Henry, Putnam, Allen, Auglaize,

ADMIRALS DIVIDED
IN VIEWS ON PACT

One Praises Naval Treaty in
Full, Another Lists Alleged
Flaws.

By The Associated Press
WASHINGTON, May 15.—While
one American admiral was praising
the London naval treaty today, be-
fore a senate committee, another told
a second committee that he could see
several objections to it.

Taking the treaty section by sec-
tion, Rear Admiral Hilary P. Jones,
one of the patriarchy among naval of-
ficers and himself an adviser to the
American delegation to London, told
the foreign relations committee that
among other things, the new classi-
fication of cruisers into six inch and
eight-inch ships "is contrary to the
constant policy we have maintained
always heretofore."

He likewise criticized the battleship
provision, saying that France and
Italy, who had been parties to the
Washington treaty but not to the
limitations of the London pact, would
not be restricted, and adding that
while "it does not particularly af-
fect me I wonder what effect it may
have if Great Britain feels alarmed
by building by France and Italy."

The speed of 30 knots allowed for
the unlimited class of ships also was
opposed by Jones. He said this speed
"will make very formidable any com-
merce raider or anti-submarine craft
particularly in the Pacific or in the
Mediterranean."

Jones followed Secretary Adams on
the stand. Meanwhile before the sen-
ate naval committee Admiral Pratt,
commander of the battle fleet, was
declaring that the United States
"went into the conference with no
preconceived ideas as to what we
should do and as far as cruisers were
concerned, and got the best agree-
ment possible."

1 FLIER LOSES
LIFE, 10 SAVED

Army and Navy Alrmen Cast
on Shark-Infested Ha-
wallian Waters.

By The Associated Press
HONOLULU, May 15.—Staff Ser-
geant Joe Becker still met at Luke
field near here last his life in the
forced landing of a bombing plane in
the ocean channel between the islands
of Maui and Hawaii yesterday.

The other men of the army and
navy air a relief were saved by other
men and surface vessels.

On man was unaccounted for and
his fate was not known.

The rescued men were members of
the crew of the army bombing plane
forced down between the islands of
Maui and Hawaii and of two army
bombing planes and one navy a
plane which flew to the aid of the
flier and were unable to take off
after coming down on the rough chan-
nel waters. Flicked up by the
strainer Hawaii, the 10 fliers arrived
here early today on the inter-island
steamer Waiheke.

Two of the fliers caught in the
rough whorl infested waters when
their planes were unable to effect take
off yesterday were rescued early to-
day by the mine sweeper Pelican.
Eight previously were picked up. The
other two are unaccounted for.

The Pelican picked up Lieutenant
G. Jones and Walter Myers from
their helpless amphibian army plane,
one of the three aircraft which landed
in the dangerous channel in an at-
tempt to save the four fliers of the
big army bomber.

The amphibian had drifted about 40
miles from the spot where it landed
and was found 30 miles southwest of
the island of Kauai. The crew of
another army amphibian and of
a navy seaplane comprised four naval
fliers and two of the fliers found
here were picked up last night
by the steamer Hawaii.

Piloted by Lieut. T. L. Boyd of
Washington, D. C., and carrying
Staff Sergeant H. Alexander, of Ken-
ucky, Ala., Staff Sergeant Joe
Becker, of Brooklyn, N. Y., and Pri-
vate H. T. Cowan, of Kentucky, N.
T., the bomber was forced down in
the channel while flying from Luke
field to Hilo.

Three of the four men jumped with
parachutes the fourth remaining at
the controls. A navy seaplane with
a crew of four piloted by Lieut. M.
J. Shur, had been conveying the army
plane.

Shur landed in an attempt to rescue
the bomber crew and took two

MANY CHANGES ON RAILROAD

New Set-Up of Hocking Valley Jobs Under C. & O. Nearing Completion.

Star Bureau Special
COLUMBUS, O., May 15.—Acquisition of the Hocking Valley Railroad Co. by the Chesapeake & Ohio and completion of the merger of the two roads will affect approximately 375 Columbus employees of the former road, it was estimated here today.

Transfers to Richmond and Cleveland will take care of about 125 employees and 150 will remain in Columbus, employed in departments that will be continued here. One hundred workers, however, will not be taken care of.

Near Completion
It is expected that the new set-up of officers will be completed within the next week. The real estate depart-

ment of the Hocking Valley will be divided between Richmond and Cleveland as is the car service department. The shops, employing 370 to 400, will not be affected.

It was announced today that all workers leaving the service of the company in the merger will be given two months' advance pay.

The chief engineer's force is to remain in Columbus, along with the storekeeper department.

The superintendent's organization is to remain and the duties and size of the force of this department will be increased. M. S. Conners, who has been with the railroad for 30 years, now general manager, has been titled assistant to the vice president and will remain here.

Offices in Cleveland
The chief engineer, William Michael, will be placed at Cleveland, as will the treasurer's office. The controller, the purchasing department and part of the freight division have been transferred to Richmond.

Appointment of W. L. Roller, division engineer, and F. H. Snyder, assistant division engineer, was announced Wednesday.

Retirement of W. H. Fisher,

Worthington, O., as general passenger agent, June 1, the fortieth anniversary of his employment with the Hocking Valley railroad, was announced Wednesday.

SUE CANDY CO.

John F. Lust Co. Named Defendant in Five Suits for \$500.

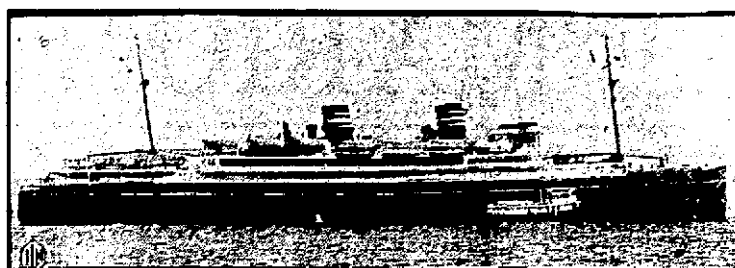

Five civil action suits on accounts totalling \$500.00 have been filed in municipal court against the John F. Lust Co., Marion manufacturers of confections.

Ludens, Inc., heads the list of suits with an action seeking \$371.23 and interest from Jan. 1, 1929. Other suits were filed by other companies for the following amounts: Charles F. Adams, for \$140; Richard C. Conner & Chocolate Co., \$17.08; Walker Candy Co., for \$35.33; Hise Chocolate Co., for \$20.00.

W. N. Harder is the attorney for the plaintiffs.

Apparatus has been invented in England which shows by tests with a fair degree of certainty whether a person can become a good airplane pilot or not.

JAPANESE LINER SETS NEW RECORD

The transpacific record from Japan to California was shattered for the second time in a month by the maiden run of the \$7,000,000 motor vessel Taisula Maru, of the N. Y. K. (Japan Mail) line, at San Francisco. The latest and greatest "Queen of the Pacific" broke the former record by 14 minutes, making the 5,500-mile crossing from Yokohama in 298 hours and 54 minutes. Many notable Americans were passengers on the record-breaking trip.

To Run Special Buses to Crystal Lake Park

Special bus service between the courthouse and Crystal Lake park will be available on Saturday and Sunday nights, according to an agreement made yesterday by representatives of the Marion Rapid Transit Co. and Fred Scherff, manager of the park.

Nine Blasts from Huber Plant and from Shovel Plant Will Warn Troops.

As an added means of calling Boy Scouts for the mobilization, Scout Executive W. C. Brown has made arrangements with the Marion Steam Shovel Co. and the Huber Manufacturing Co. for the use of their whistles. This is in addition to the use of the airplane and the dropping of handbills.

At the time for mobilization the whistle at the Shovel plant will sound nine blasts. Following a short interval the Huber Co. will blow nine blasts. This will be the signal for the general mobilization of all scout troops in Marion. The troop who

Chenoweth Named To Sphinx at Ohio State

Marion O. Chenoweth, of Marion, editor of the Ohio State Lantern, is

one of 14 students who have been selected for membership in Sphinx, senior men's literary society at Ohio State university. It was announced today. The Lantern is the university daily newspaper.

Wesley Forest of Youngstown, all-American football and baseball and basketball star, is one of the others chosen.

An outside compartment for small change features a new hand bag.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Order has been discovered. This tablet attracts water from the system into the lax, dry, crusting bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Order at night. Next day breakfast. Get 24 for 25c today at the nearest Rexall Drug Store. C. G. Ungaricht—Adv.

Here's Speedy Relief for Tender, Aching, Swollen Feet

Moone's Emerald Oil Must Give Complete Satisfaction Or Money Cheerfully Refunded

Your feet may be so swollen and inflamed that you think you can't go another step. Your shoes may feel as if they are cutting right into the flesh. You feel sick all over with the pain and torture and pray for quick relief. What's to be done?

Two or three applications of Moone's Emerald Oil and in fifteen minutes the pain and soreness disappears. A few more applications at regular intervals and the swelling reduces.

And as for Soft Corns and Calluses a few applications each night at bed time and they just seem to shrivel right up and scale off.

No matter how discouraged you have been with powders, toothpastes or other applications, if you have not tried Emerald Oil then you have something to learn.

It's a wonderful formula — this combination of essential oils with camphor and other antiseptics so marvellous that thousands of bottles are sold annually for reducing varicose or swollen veins.

Bradley's Drug Store, Stump & Saus Pharmacy and all good drug-gists guarantee the very first bottle of Moone's Emerald Oil to end your foot troubles or money back.—Adv.

SEVEN SENIORS WILL BE GIVEN DIPLOMAS

Commencement Exercises of Caledonia Schools To Be Friday Night.

Special To The Star. CALEDONIA, Mich. 15.—A class of seven seniors will receive diplomas at the commencement exercises to be held in the school auditorium Friday night. The class address will be given by J. E. Boudler, superintendent of the schools at Caledonia. The exercises will open with a selection by the High School orchestra. The first item will be spoken by the Rev. Luther M. Druley. A vocal number will be sung by Mrs. Nancy Clouse. Other musical numbers will be by Valdo Schmidt by the orchestra. Class song by the class of 1930. Dr. W. L. F. I. Tuesday afternoon Mrs. W. H. Harrington presided at the meeting and Mrs. G. W. Doucet conducted the devotion.

The annual school picnic will be held at the school grounds Friday.

Arrangements were made for the Mothers' day meeting to be held in Memorial M. E. church June 10 by the Anna Clark chapter of the W. L. F. I. Tuesday afternoon Mrs. W. H. Harrington presided at the meeting and Mrs. G. W. Doucet conducted the devotion.

"I REGRET NOT HAVING KONJOLA LONG, LONG AGO"

Ailments Made Man Unable To Work—Gained Health and Eleven Pounds in Month

MR. ROBERT LESLIE BOOTHILL

How I regret not knowing about Konjola long ago. I had Mr. Robert Leslie Boothill 1169 Gladstone St. Cincinnati. One year ago I had to quit work because of my health. I had indigestion, kidney and liver trouble, and rheumatism. My weight dropped from 145 to 120 pounds. Neuritis in my back caused awful misery and the rheumatism at my ankles, feet and toes. All medicines I tried failed and I was worried and discouraged. A friend called to see me and asked why I did not try Konjola and I insisted that it was the medicine I needed. Well, time proved that he was right, for the first bottle produced such results that I realized that I was on the right track. The pains faded gradually, my kidneys and liver cleansed and I began to gain weight. In a month I was entirely free from illness and feeling better than in years. In that time I regained 11 pounds of my lost weight. What more could be expected of any medicine?

Konjola works with the important functional organs of the body, drives the poison from the system, and regulates the organs of elimination and digestion. It is recommended that Konjola be taken from six to eight weeks for best results.

Konjola is sold in Marion Ohio at Stump & Sons Pharmacy, and by all the best druggists in all towns throughout this entire section.—Adv.

"It's toasted"

Your Throat Protection—against irritation—against cough

*In the U. S. Public Health Reports of 1923, Volume 38, Page 1271, we find the following: "Among short men less than 5 feet 7 inches in height an excess (in weight) of 20% involves an added mortality of 30% above normal. A 40% excess adds 80% to the mortality." We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky instead," you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.

28-Room Radio Hook-up New School Feature Here

Equipment Installed in Harding High School Connects All Rooms; Will Eliminate Class Work Confusion When Speakers Are To Address Students.

Harding High School has taken a big step forward in school work with the completion of installation of a 28-room hook-up radio set suitable for microphone purposes.

The high school has taken the lead in an auditorium and the installation of the set will greatly reduce the time lost in crowded rooms, and will give greater selectivity of programs for the student.

Instead of calling two or three times and rearranging all class schedules for a program, instead of calling an assembly of the school to hear a lecture, or to give notice that are not of particular interest to any other group in the school. This will eliminate a great deal of disturbance in the school room, school officials believe.

The hook-up is arranged in a system in which a speaker in each room is connected to a central system of speakers in the auditorium. The set at Harding High school was installed at a cost of \$4,750 and is the largest of its type in central Ohio.

Bell-Graham and Sandberg, who have installed the set, said that the hook-up will enable the school to give a program in each room, and to give a program in the auditorium, and to give a program in the building and broadcast a program to the room any message or special program.

Little Green Capsule Stops Rheumatic Agony

One Every Hour for Ten Hours and Relief Almost Certain

Often in Five Days, Even the Tenderest Is Gone

The fame of the little green capsule because of its power to quickly stop the terrible rheumatic pains that make life almost unbearable is rapidly spreading all over America.

You go about conquering your merciless enemy in a different way—a knock-out way. You take one tiny capsule each hour for the first ten hours.

The second day, take one every two hours for 14 hours—Then take 4 little green capsules every day until every little twinge and every bit of tenderness is gone and your troubles have ceased.

The little green capsule now so much in demand from coast to coast must have a name so it is known in every worthwhile drugstore in America as ALLENBURY NUMBER 2.

Headley's Drug Store says these little wonder working capsules must banish all pain and torture in 5 days or money cheerfully refunded.—Adm.

LAST NIGHT at the THEATERS

Janet Gaynor's Smile Is Here Again

AMIRALS of the fair Janet Gaynor may see her smile and weep through another delightful picture again tonight at the Marion theater. The story is of Christine, the little Dutch maiden, who falls in love with the man in the white uniform who rides the white horse in a circus which visits her home town on the Zuyder Zee.

The Prince Charming is played by Charles Morton Jealous on the part of the worldly woman who owns the show, brings complications into the romance and Janet is humiliated by the man whose attention she has captured when he tells her of the apparent duplicity of her lover. The audience is not disappointed in the superb acting of Randolph Schildkraut, who plays the part of Christine's father.

The picture, although evidently not a recent release, is entertaining, but somehow one keeps elegantly looking for Charles Farrell whenever the lovely Janet appears.

A news reel and comedy complete the program.

Tires are SO cheap now

TIRE prices today are at the lowest point in the history of the rubber business.

The difference in price between the best standard tire and one that you can't be sure of, is, if anything, hardly enough to count.

That removes the last excuse a sensible man can have for not buying as excellent a tire as the Goodyear All-Weather Tread Balloon.

It is the standard of quality of the world; it out-sells any other tire in the world; it is the basis of

why not
have the
BEST

the eloquent fact that "more people ride on Goodyear Tires than on any other kind!"

You want the biggest possible money's worth in safety, traction, dependability and mileage when you buy a tire—you can get it

now at no premium in the standard Goodyear All-Weather.

Your size is waiting for you at a price you can afford to pay—no farther away than the nearest Goodyear Dealer!

Goodyear can give you greater tire values because Goodyear builds more than

1/4

of all the tires sold in America, the remainder being divided among some forty manufacturers. "More people ride on Goodyear Tires than on any other kind."

A Washington dispatch says Dwight W.
Morrow will probably make his campaign for
the senatorial race as a vot. From the all-
itude of the various senatorial candidates in
that state it might be taken that New Jersey
is somewhat moist.

The English girl aviator attempting a solo
flight from London to Australia crashed when
she alighted upon the lawn playground and
ran into a ditch mistaking it for the race
course at Ascot. Birmingham where she was
expected to land. There are some aviation
fields over here where a ditch seemingly is
the chief characteristic by which they are
expected to be identified.

Scott McBride, in admitting that the
Anti-Saloon league sometimes supported can-
didates who voted dry and drank wet prob-
ably would hold if pressed that there are
great emergencies in which the end sought
justifies the means.

Now any child of three who hasn't had
a couple of major operations says Dorothy
Dix, "couldn't hold up its head in a prep
school. Why not talk about actualities
Dorothy, instead of trying to tell us what a
mythical child couldn't do?"

As his last act before quitting the naval
service Lieutenant Alfred J. Williams
Jr. considered by many as the greatest pilot
the country has produced did an inverted
falling leaf a stunt never before performed
and up to the present deemed impossible with-
out a consequent crash. And that's the kind
of a man we let get out of our air forces.

A Cunarder of 75,000 Tons
Although the Cunard people and the ship-
building organizations which have submitted
bids for her construction are maintaining
silence regarding the dimensions, power and
speed of the great liner which is to cost ap-
proximately \$40,000,000 and to beat Brit-
tain's answer to the Bremen and the Europa
it has become known that the vessel is to be
larger, much more powerful and far speedier
than originally planned. The intention of the
Cunard line being to make her at least twenty
years ahead of any vessel today afloat. As
they have put it she is to be as much
superior to the liners of today as the Lusitania
and the Mauretania were to all other
liners at the time of their launchings some-
thing over two decades ago.

It has leaked out that whereas the first
plans called for a vessel slightly in excess of
60,000 tons the new plans are for a vessel
of about 75,000 tons which is to be suf-
ficiently powered to maintain a speed of
twenty-eight knots under ordinary weather
conditions.

When it is considered that both the Levi-
athan and the Mauretania the largest two ves-
sels on the seas are under 60,000 tons and
the speediest North German Lloyd liner of
about 46,000 tons each, a better idea of the
immense size of the new Cunarder may be
had. As the present-day tendency is toward
greater length and lesser beam that less re-
sistance may be offered it is very probable
that the new liner will be at least 100 feet
longer than the Mauretania which has a length
of 935 feet and five inches.

Seven or eight years ago it was the opinion
of shipping people that the way to date liners
of the future would be vessels of approxi-
mately 35,000 tons, that vessels of the size
of the Leviathan and the Mauretania could not
be operated profitably for the reason that their
size made their passages through port chan-
nels difficult, that docking them was too ex-
pensive, where they could be docked and ex-
posed where they were unable to dock and that
they were too greatly limited in the number
of harbors they could enter. As late as five
years ago vessels of the size were favored
but the French with their Ile de France of
43,000 tons and the two German liners
demonstrate that France and Germany at
least did not subscribe to the smaller best
theory and when the Bremen shattered the
long held records of the Mauretania the
reaction to the mighty liner type was in-
evitable for it was realized that Britain
would never be willing to remain in second
position in Atlantic speed honors.

New York's Crime Record.

The annual report of Police Commissioner
Crozier A. Whalen of New York City issued
this week shows a number of records for the
year 1929. It shows that there was a
decrease in the number of crimes in the city
in 1929 as compared with 1928. The total
number of crimes in 1928 was 7,000 and in
1929 the figure was 6,000. There were more
killings during 1929 than in 1928. The in-
crease being due to the killing of a gangster
and a few other killings. The number of

Packard Owners
prefer Sohio 5½ to 1
over any other gasoline!

THEY asked the men who own them—1379 drivers of Packard automobiles throughout Ohio—this question "What gasoline do you use?" The answers showed Sohio Ethyl leading any other gasoline by more than 5 to 1. Furthermore, regular users of Sohio Ethyl among these Packard owners far outnumbered the total users of the next five competing gasolines combined.

This survey was conducted by the R. L. Polk Company, an organization having no connection with any gasoline producer or distributor. Here's the score:

Gasoline Survey—Packard Owners in Ohio

Number of Packard Owners Interviewed—1379

Where Interviewed—Cleveland, Columbus, Cincinnati, Dayton, Akron, Canton, Youngstown, Lima, Toledo, Portsmouth, Zanesville

| GASOLINE USED | NO. OF DRIVERS | PERCENT OF PREFERENCES | RATIO OF PREFERENCE FOR SOHIO |
|-----------------|--|------------------------|-------------------------------|
| SOHIO | 384 | 37.24 | |
| 2nd Best | 68 | 6.60 | 5.64 to 1 |
| 3rd Best | 60 | 5.82 | 6.40 to 1 |
| 4th Best | 59 | 5.72 | 6.50 to 1 |
| 5th Best | 53 | 5.14 | 7.24 to 1 |
| 6th Best | 51 | 4.95 | 7.52 to 1 |
| 46 Other Brands | Each less than 4.96% of total designated | | |

The above figures are taken from original records of a survey of Ohio motorists made by R. L. Polk & Company, which have been audited by me, and are correct as authentic.

What's the Secret of
Sohio's Popularity?

Joseph W. Winters
Certified Public Accountant, Cleveland, Ohio

The facts, above, are well worth considering if you drive a Packard—or any other make of car, for that matter. They indicate that Sohio Ethyl possesses qualities which bring out the very best in any motor.

It does! Even without Ethyl, Sohio would be an outstanding motor fuel. With Ethyl it becomes the perfect anti-knock fuel for which modern motors are specifically designed.

Try it in your car. You'll get that thrill of super-performance which is leading over 10,000 more Ohio motorists to become steady Sohio users every month.

Fill up where you see the Red-White-and-Blue Sohio sign.

LABOR UNION MEN DISCUSS GAS RATE

Representatives of Company Present Case; Members Vote To Wait.

Discussion of the proposed increased rates of the Ohio Fuel Gas Co. provided one of the features of last night's monthly meeting of the Central Labor Union in Labor hall. Representatives of the company explained their side of the question while labor officials suggested that Marion citizens await the action of the utilities commission, but at the same time urged action with other Ohio cities in an effort to prevent the increase in rates.

City purchase of the water company will be discussed at the organization's next meeting on May 25, with Dr. F. C. Smith head of a citizens' committee opposing the purchase, scheduled to talk on the subject.

Effect of labor saving machines on employment was discussed by Harvey W. Brown, of Cleveland, general vice president of the International Association of Machinists.

Aims of the Community Fund were explained to the group by Alexander Karr, special speaker, who was introduced by Earl N. Hale, T. M. O. A. secretary.

Fred C. Dix, editor of the Prospector and a member of the local typographical union, gave several original poems and readings.

Former Advertiser Takes Charge of Office Here

Charles A. Buchheit, formerly associated with a national advertising concern, has taken over the local office of Henry L. Doberty & Co., dealers in Cities Service securities.

Buchheit's office is at 180 East Center st. He succeeds D. G. Taylor, who has been named field manager of the concern with headquarters at the Toledo office.

PLANS FLIGHT

Miss Irene Juanita Chassey, the first girl in Hartford, Conn., to obtain a Federal pilot license, plans a transatlantic glider flight from Europe to America this summer. Miss Chassey plans to be joined by a 300-foot cable at the stern of a fast steamship, which would bring her to America in six days.

WILLIAM ECKERT, 63, CLAIMED BY DEATH

Broken Hip Sustained in Fall Is Fatal to Former LaRue Resident.

William Eckert, 63, former LaRue resident, died of complications resulting from a broken hip, at 6:15 o'clock last night at the Marion county home. Mr. Eckert had been in ill health for 10 years, and 10 days ago fell on a walk and sustained a broken leg.

He had been a resident of the home since Feb. 1, 1929. He was born June 24, 1874, in Kenton to Lida Eckert and Anna Sheppard-Eckert. He was married 40 years ago in LaRue to Mary Winslow, who survives him. Mr. Eckert was a member of the LaRue Baptist church.

Surviving him is a daughter, Miss Maria Eckert, of Detroit. A son, Lawrence Eckert, preceded him in death. Brothers and sisters living are C. A. Eckert, 608 Windsor st.; Mrs. O. O. Ecklund, East Chicago; Mrs. M. E. Fritsinger, Kankakee, Ill.; and Mrs. W. S. Rhoads, Columbus.

Funeral services will be held at 2 o'clock Friday afternoon at the W. O. Boyd funeral home, South Main st., in charge of the Rev. S. P. Porter, pastor of Emmanuel Baptist church. Interment will be made in the LaRue cemetery. The body may be viewed at the funeral home until time of service.

THE UGLY TRUTH about motor oil substitution

35% to 40%* shown by published report

That seal is your protection against cheap oil substitution. Do not accept Tiolene if this seal has been broken or tampered with.

35c a quart—and worth more

PREVENTED BY Tiolene in Sealed Bottles

IT'S TIME for you to know the truth. Motor oil substitution does go on—to an alarming degree. Investigations prove it. And the type of dealer who will substitute at all will 9 times out of 10, substitute the cheapest oil obtainable. This means ruin to motors.

A new method protects you. There is now an easy, certain way to be on your guard against motor oil substitution. Ask for **Tiolene, in Sealed Bottles.**

This 100% Super-Pennsylvania Motor Oil, made from the world's highest grade Pennsylvania crude, is now poured into your car from substitution-proof sealed bottles. Every bottle is filled and sealed in Pure Oil Company's plants—and delivered sealed to your local station.

You see the seal of every bottle broken and destroyed. You drive away, feeling a security which motorists have never before enjoyed. Don't be in doubt! Don't take chances! The penalty you pay for cheap oil substitution is far too costly.

Stop at a Pure Oil blue-and-white sign today. Say "Tiolene in Sealed Bottles." You get the oil that gives better protection for 1,000 miles than ordinary oils give for 500.

Dealers and service station attendants who sell Tiolene must you to have this substitution protection against cheap oil substitution.

*These percentages are conservative. Available to all who request it—the facts as given in the report of certified public accountants, commissioned to investigate the marketing conditions of the oil industry over a two-year period. For your copy of these oil substitution facts address: Pure Oil Company, Pure Oil Building, Chicago, Ill.

FREE CLINIC MENDS BODIES OF FRAIL

Hospital Service Given Unfortunate Through Community Fund Agencies.

Continued from Page One
been transported to the hospital without any charge.
Practically every one of the 240 poorest cases in the city during the year of its operation were taken care of by the clinic. In many cases, the patients were unable to obtain the necessary treatment for their ailments, and the clinic provided the necessary medical attention. The clinic is a free service for the poor, and it is a great help to the community.

At present, the clinic is operating on a small scale, but it is hoped that it will be able to expand its services in the future. The clinic is a great help to the community, and it is a great service to the poor.

DODO, RECORD-BREAKING COW

A bovine belle of unusual distinction is Lady Dodo shown with her owner Mrs. Thelma Evans, of Washington D. C. Lady Dodo gave 15,000 pounds of milk that contained 740 pounds of butter fat. Together with Dolores and Geraldine two other cows owned by Mrs. Evans the trio gave 45,000 pounds of milk, which sold for \$1.00, returning a net profit of \$300.

AYRES SEES EVIDENCE OF BETTER BUSINESS

Signs of Improvement Cited in Report of Cleveland Economist.

CLEVELAND, May 15.—The recent sharp decline in the stock market reflects general disappointment in the slow rate of business recovery, Col. Leonard P. Ayres, Cleveland banker and economist declared today in his monthly business review.

Indications of gradual improvement, however, in the volume of general business is beginning to appear. Automobile output is running ahead of the figures previous to last year. The construction of new residences is still below normal but other types of building are exceeding the records of last year and previous years.

Warm weather has finally arrived and with it a great amount of road building is getting under way. Ayres asserted.

The steel industry Ayres declared is now operating at as high a percentage of full capacity as it did on the average during the five years from 1921 through 1928.

The best evidence that the bottom of the decline in business has been reached Ayres said is to be found in the definite easing of money rates and in increasing purchases of bonds by banks.

Despite decreases in the first quarter earnings Ayres declared the earnings of 25 leading corporations were higher in the first quarter of 1936 than in any other first quarter except that of 1929.

Railroads have been hard hit Ayres said but pointed out that railroad business suffers more severely than general business in depressed times.

Don't fool yourself

Since halitosis never announces itself to the victim you simply cannot know when you have it.

Halitosis ruins romance—end it

If the one you're fond of has halitosis (unpleasant breath), it's your duty to call attention to it and suggest the effective remedy—Listerine used full strength.

Certainly this course is a better one than putting up with halitosis and saying nothing about it.

A great many people fool themselves in thinking they never have halitosis. What a presumption! Because no body knows when he or she is a victim. Halitosis doesn't announce itself to you. But it does to others. And that offends.

Being an active germicide capable of killing 200,000,000 germs in 15 seconds, full-strength Listerine checks mouth fermentation and infection—both a cause of odors. It is a powerful deodorant. Use Listerine morning and night and between times, before meeting others. Lambert Pharmaceutical Company, St. Louis, Mo., U.S.A.

ARREST LEGISLATORS TO OBTAIN QUORUM

Longworth Among Congressmen Rounded Up for Action on Bill.

By The Associated Press
WASHINGTON, May 15.—A minor agricultural bill was the cause last night of a filibuster in the usually well-regulated house and the arrest of absent members—among them, Speaker Longworth—for the purpose of obtaining a quorum.

Vigorous opposition to the measure carried the day's session well into the evening and then it was discovered that the chamber could neither take action on the bill nor adjourn for want of the necessary majority of the membership.

Those present however could vote to have the absentees arrested and conducted to the chamber by the sergeant-at-arms and thus they proceeded.

At 11 o'clock Representative Fisher of Ohio was the first to be escorted into the chamber by Speaker Longworth and others followed. A motion was made and carried that the bill in dispute be taken up for final action tomorrow and then the house adjourned. The measure in question would provide for the expansion of the federal agricultural information service.

Census Workers Make Final Check on Returns

A king of population schedules prior to census, then to federal headquarters at Washington D. C. is now the attention this week of workers in the office of Frank A. Berry, district census supervisor.

It is the duty of the enumerators with the exception of perhaps 15 of the 200 making up Berry's corps have turned in their schedules and these are being checked while Berry is awaiting the final reports.

APPRAISERS NAMED FOR RECEIVERSHIP

Henry O'Dowd C. H. Elliott and V. M. Dutton To Value C. M. & B. Property.

Henry O'Dowd, Charles H. Elliott and Vernon M. Dutton have been appointed by Judge George H. Seefeld of common pleas court as appraisers of the Columbia Marion & Boryne Railway Co. which yesterday went into receivership.

George Whysall, president and general manager of the company, was named by Judge Seefeld as receiver under a bond of \$20,000.

The receivership action was brought by William E. Titus, doing business as the Titus Machine Works, who alleged the company owes him \$100,377 for labor and material and is unable to meet the obligation.

In its answer the company admitted Titus' allegations that it is without funds to meet its bonded interest of \$112,600 or to meet its obligations for current expenses and maintenance of its property. It also admitted its bonded indebtedness of \$2,000 in first mortgage bonds and \$50,000 in general refunding bonds outstanding.

The appraisers were ordered by the court to make an inventory and appraisal under the direction of the receiver.

Contract for Lee Ditch

Contract for the Lee ditch improvement in Salt Rock township was let today by county commissioners to L. M. Weston of Richwood on his bid of \$19,500. The successful estimate was \$22,750.

Four firms bid for the work the highest bid being \$23,075. Weston is understood to be able to make his bid far below the estimate because of a special ditching machine he is said to have constructed.

George A. Tiller and others were petitioners for the improvement.

The following summary gives an idea of the tasks in hand and the services rendered by these five agencies

Boy Scouts of America

"Intangible" is the only expression that can be used when attempting to capitalize the work done for boys of a community. Results, while apparent on the surface only, find full expression in adult life. "Be prepared" is more than a motto when summed up in future citizenship. "As the twig is bent so is the tree inclined" is as true of boys as trees. The results are sometimes expressed in "a chip from the old block." The Boy Scouts are asking the Community Fund for \$7,994.

Y. M. C. A.

The Y M C A provides a systematically worked out program of physical, social and spiritual education for the young men of Marion and community. It is not spectacular in its operation but is conservative and constructive in its activities. Staying close to the realities of life which fit young men for citizens in the broadest sense of the word. Its programs are so arranged that they fit into the lives of young men for every walk of life. The Y M C A needs \$22,500 for 1930.

Red Cross

Its function is to give skilled nurses' care to the sick in their homes, to teach personal hygiene, cleanliness and the prevention of disease. Also as far as possible the nurses endeavor to solve related social problems that are met with in families under their care by referring the problems to the proper co-operative agencies. The Red Cross needs \$7,982 for 1930.

Clinic at City Hospital

On certain days each week the doctors of Marion give their time to examine and treat these people who need medical attention and who haven't the means of securing this much needed service. This work is carried on at the Marion City Hospital. The Clinic at the Hospital needs \$900 for 1930.

CONSTIPATION

Dr. Caldwell loved people. His years of practice convinced him many were ruining their health by careless selection of a laxative. He determined to write a thorough prescription which would get at the cause of constipation and correct it.

Today the prescription he wrote in 1883 is the world's most popular laxative. He prescribed a mixture of licorice and other pure ingredients now known as Dr. Caldwell's Syrup Pepsin.

MISS DOWD IS GIVEN LEAVE

Red Cross Secretary Here Will Take Three-Month Vacation

Miss Margaret Dowd, secretary of the Marion Chapter Red Cross, will take a three-month leave of absence beginning sometime near June 1. It was announced today.

Miss Dowd accepted an offer of a leave of absence made by the executive committee last night as an alternative to her resignation, which was presented nearly a month ago. Officer of a leave of absence was made on recommendation of the committee assigned to investigate the applicant's resignation.

The leave of absence will be used by Miss Dowd to recuperate from the strenuous work of her office during the last year. In addition to handling her routine work and an unusual number of persons and correspondence during the last year, she has been in charge of the Red Cross fund-raising campaign.

SHERWIN-WILLIAMS PAINT HEADQUARTERS

Let cold figures prove the economy of SWP
Here are facts on painting, which we can prove by the simplest arithmetic. SWP is the most economical paint you can put on your house. It costs more per gallon, of course. But did you ever stop to think of how much extra surface a gallon of SWP covers? Mark this—a gallon of SWP will thoroughly cover almost twice as much surface as cheaper paint. Therefore far fewer gallons of SWP are needed. In addition, SWP lasts twice as long as cheaper paint—saves repair bills by giving full protection to the surface—and its rich, weather-proof colors retain their beauty to the end. Come in and let our figures prove it.

CATTLE TEST TO END JUNE 1

Stock in Marion County Shows Three-Fourths of One Per Cent Reaction.

Marion county cattle will be free of tubercle by June 1. Dr. Gruber, county health and food inspector, announced today as the result of testing, being done in Scott township, the final district to be covered by state agricultural workers within the county.

Since only three-fourths of one per cent of the cattle tested in the county has shown a reaction, the county undoubtedly will be placed on the most favorable list after this first test, according to Dr. Gruber. In order to win such a rating, a county must have not more than one per cent reaction, Dr. Gruber said.

Warms Hiders
Dr. Gruber warned cattle raisers today not to bring fresh cattle into the county for breeding or dairy purposes unless they come from tubercle-free counties. He said that tubercle-infected cattle may be brought in for food, but they must be kept separate from the others, he said.

A fine of \$100 or six months in prison or both is the penalty for violation of the federal law governing the importation of cattle from other countries, Dr. Gruber pointed out.

Cattle which react to the test are sent to the Cleveland stock yards for disposal under bureau of animal industry regulations.

Dr. George Pierce of the state department of agriculture has been conducting the Marion tuberculosis campaign in the county. His work in Scott township likely will be completed next week.

MORRAL RESIDENT IS CLAIMED IN MARION

Funeral Services for Lewis Wilson, 63, Will Be Held Saturday Afternoon

The World Agrees With You on The Value of Automotive Transportation

Everyone's need of a car is accepted. The question is "What kind of transportation do you want, how much do you wish to invest in it?"

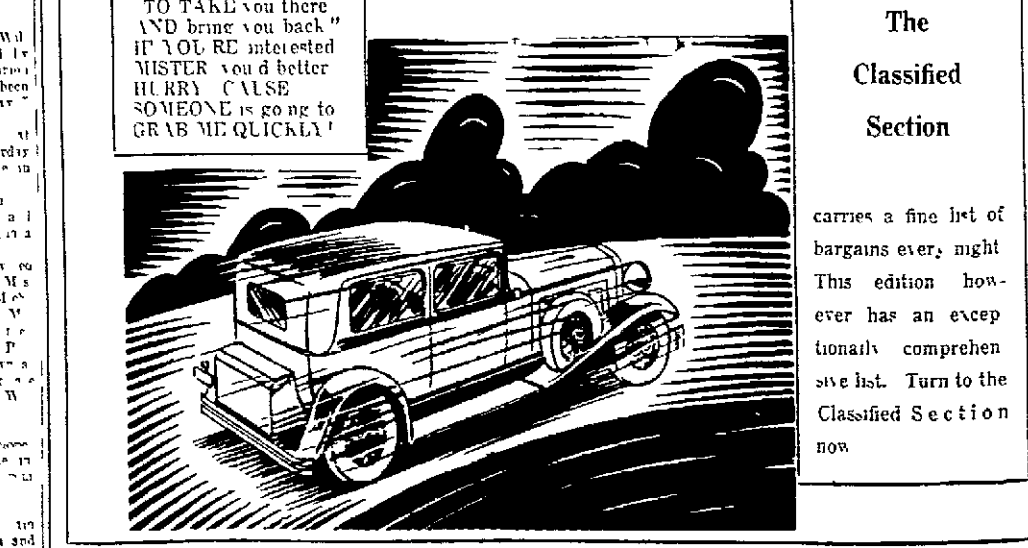

Naturally, tastes and needs of car buyers differ. Some owners always buy a new car, trading in their old one with much value left in it for a Used Car Buyer. That practice has placed fine bargains at the disposal of prospective used car purchasers.

The Classified Section of The Star carries a complete list of cars ready for sale by local dealers. Regardless of which standard make, model or type you want, you can find it for sale in Marion at a low price. The dealer has put it in condition for sale and he is ready to stand behind it. He will allow you terms and will take your present car in trade.

Find the car in The Star's Classified Section that appeals to you, then see the dealer.
